

# Marsh Creek Eagles

Help raise money for your child's organization and learn valuable information!

Your family is invited to a complimentary  
**College Financial Workshop**

Presented by: **The College Planning Center**

Parents of middle school and high school students planning on attending college, we want to share with you our knowledge and experience as college financial consultants so that you understand important information that you will not receive from your local high school, or the colleges your children may be interested in.

Learn the information you need in order to get all of your children through the college of their dreams **without going broke** by making the best use of **your current assets**.

## WORKSHOP TOPICS INCLUDE

- How to **avoid common mistakes** that can cost you thousands. Understand what counts against you in the application process!
- Find out why state universities could be more expensive than some private colleges. **Don't rule out** certain schools because you think you can't afford them.
- Understand how to **maximize your eligibility** for financial aid and find out keys to saving tons of out of pocket fees.
- **Learn the greatest myths** about the college financial aid process and beware of scholarship scams.
- Many **overpay for college**. We will help you calculate your potential overpayment.

Henrietta Hankin Library  
215 Windgate Drive  
Chester Springs, PA 19425

Thursday Sept. 22<sup>nd</sup>  
Tuesday Oct. 4<sup>th</sup>  
6:00-7:45 PM
