

Dear Marsh Creek Family,

We hope you and your families are having an incredible summer! The Marsh Creek Eagles Community is proud to continue to strengthen our partnership with the Believe and Achieve Foundation. Our first service project this season was the Skill Challenge last Sunday, and it was a great success! Our 2nd project is right around the corner. The Marsh Creek Family will partner again with the Believe and Achieve Foundation and the Chester County Food Bank to host our 3rd Annual Mini Food Drive and Snack Pack Stuffing Event on Thursday, August 17th, following practice. The snack packs will be donated to free and subsidized after-school programs in the county including the Believe and Achieve Program at the YMCA.

Each team has been assigned an item essential to an afterschool snack. Donations can be brought to practice and left at blue collection bins located by the snack bar. We will start collecting items on Friday August 5th.

Please donate a minimum of 1 box of the following items:

- 1) Flag/Travel Flag teams: Fruit cup/ Applesauce
- 2) Tiny Mite/ Mitey Mite: raisins
- 3) Jr. Pee wee/Pee wee: cheese crackers
- 4) Jr Varsity: non-total chocolate (chocolate chips are fine)/non-nut granola bar
- 5) Cheer: 100% Fruit Juice Boxes

Thank you in advance for your participation!
